The Meaning of Christmas

(So that we all may find a deeper sense of the meaning of Christmas this season, OBSERVER has asked members of Glades churches to write about what Christmas means to them. We are thankful for their cooperation, and shall publish these articles weekly until Christmas. — Editor)

BY MRS. GERVIN N. PITZEN
Member of St. Margaret's Catholic Church
Clewiston

Amidst the present day hustle and bustle of the approach of Christmas there often become obscured the true meaning of this eventful day, and Christmas assumes a meaning other than the true one.

Unhappily there are many people today for whom Christmas is only a sentimental anniversary and not Christ's birthday. To many business people it is an annual bonanza of shopping days and to the children it may be just a time when Santa Claus comes to fill their stockings.

In our world of today we are surrounded by pagan thinking and often times there actually is the real reason for celebrating Christmas. Those who follow the teaching of Christ are privileged with that deep joy in the realization that Christ comes upon earth to pave the way for mankind to obtain eternal bliss in the hereafter.

Here is the human race, barred from heaven all through centuries since the fall of our first parents, now blessed with the arrival of the promised Redeemer. Christmas, the day on which so many years ago, the Son of God came down from heaven and into the world as a little child to stone for the weakness and instability of the human race.

The real purpose of Christmas

is not to merely make people more human but to make them more divine. Christmas means for me "Christ plus Mass." Without Christmas we Catholics would have no Mass. By the mystery of Christmas, God has taken humanity and breathed a new life into it.

I believe we are created for a purpose. While on earth we must love God and prove it, or not love Him and prove that also. We cannot be indifferent to morality and truth and we must work for our salvation. Couple with this the satisfaction in the acknowledgment of Christ's own words, "I shall be with you all days even to the end of time." Then the words of the Angel at Bethlehem, "Glory be to God on High and peace on earth to men of good will," take on a sublime meaning: an individual peace will exist in spite of stormy conflicts between nations and races. A peace that prevails though trouble befalls us individually; a peace with God for those who return their love for Him and live in accord with His precepts.

As the years pass, and I kneel each Christmas at the Christ Child's crib, I realize there can be a peace in this troubled as a little child to stone for the weakness and instability of the human race. And I thank God for this wonderful gift His Son has given me — the gift of faith.

Elks Use Unique Plan For Presents

ORLANDO — There are 68 young patients at the Harry-Anna Crippled Children's Home here sponsored and maintained by Elks lodges throughout Florida.

When Leonard Dobrow of Pahokee attended a quarterly Elks meeting here last weekend, he brought with him 68 presents — one for each of the patients.

The gifts were from members of Elks Lodge No. 1638 in Pahokee and were brought by Elks. A unique system was worked out in buying the presents — parents bought gifts for Harry-Anna patients who were of the same age and sex as their own children, in order to get "tailor-made" gifts for the patients.

The Elks' children's home is for convalescent patients suffering from orthopedic ills, polio and other than contagious physical disabilities. Only underprivileged youngsters are accepted at the home, from ages one to 17 years.

Elks Host To Parker T. Wilson

PAHOKEE — Parker T. Wilson of Clewiston, District Deputy Grand Exalted Ruler of BPOE, made his official visit at Pahokee BPOE No. 1638 last night.

Members of the lodges of the south-central district attended. A barbecue supper was served following the meeting with the entertainment program headed by Harold Wilkinson in charge.

Pahokee Exalted Ruler George Tucker Jr. and his officers conducted the meeting.

SCHOOL HOLIDAY

Glades school children will get two weeks' Christmas holiday beginning Wednesday, Dec. 19th, school officials have announced.

Closes will come again next year — on Wednesday, Jan. 2, 1957, that is.

A STANDOUT at Belle Glade's Christmas Fiesta parade last week was Charles McWhorter's home-made float, above. The Nativity scene was peopled by McWhorter children. Right, Santa had plenty of hitch-hikers on his Chamber of Commerce float. Biggest crowd in history watched the parade, which was shown on film on a Palm Beach TV station this week.

DECORATIONS TOUR TUESDAY

PAHOKEE — Garden Club members suggest that Glades residents wishing to visit their "Holiday House" function, which will be held from 7 to 10 p.m. next Tuesday evening at the home of Mrs. M. F. M. Shaughnessy, 352 Bacon Point Rd., where they will see the entrance hall and narrow decorated in holiday fashion. The next stop, the Garden Club recommends, should be the home of Mrs. Lloyd Hundley, 242 Bacon Point Rd., to see a modern house in Christmas dress.

Mrs. O. R. Bleach at 220 Bacon Point Rd. will show the decorations. The dining room will be the decorated feature at Mrs. Leo Maxwell's home, 927 East Main St. At the home of Mrs. J. M. Elliott, 711 East Main Street, outside decorations will be on display, as well as Christmas decorations made by club members.

The last "Holiday House" to be visited will be Mrs. J. S. Chastain's home at 927 East Main St. which will show Christmas decorations suitable for the early American home. Refreshments will be served by Mrs. Chastain, Mrs. J. T. Platt and Mrs. H. M. McIntosh.

Parnell, Jones In School Roadco

Two Glades youths have been selected to participate in the annual "Florida Teen-Age Drivers Roadco" to be held Jan. 12 in Fort Lauderdale. W. A. Slauter, high school driving instructor, announced this week.

The youths are Gene Parnell of Pahokee and Dan Jones of Belle Glade, who will be sponsored officially by the Junior Chamber of Commerce of their respective cities.

Also completed in time for the holiday season is a spanking new paint job, City Hall is now white with Santa Claus red trim.

Winner of the district contest will compete in state finals in Tampa in February. Adjusted state camp to compete in national finals in Washington. National champion will receive a four-year college scholarship.

Plane Passenger Service For Belle Glade And Clewiston

BELLE GLADE — Recognition of this city's growth, and further, highlighted the regular city commission meeting Wednesday night.

The commission granted permission for International Air Service, Inc., to use the city airport for proposed two-day flights five-passenger planes to operate between County Airports at Lantana and Belle Glade and Clewiston.

As a result of a suggestion by Commissioner Unwin, the city's governing body will also seek means to encourage several built-up areas adjacent to Belle Glade to ask the city to extend its corporate limits to include them.

Commissioners informally discussed such inducements as tax exemptions for a limited period of years to these areas to get them within city limits.

APPOINTMENT of City Manager Robinson as city treasurer, with Mayor Ingram and Commissioner Ashley to counter-sign all city checks.

AUTHORIZED fiscal agents to re-advertise the \$200,000 recreation bonds for sale.

OKAYED the audit report from the W. C. Bamford Co., which showed city funds to be in good shape.

ACCREDITED to recommendation of B. E. Weeks, of the Bamford office, the city should develop an employee's manual specifically setting forth responsibilities so as to maintain more rigid "internal control."

AGREED to adjust City of South Bay water billing as of the December bill, because of a "fast" master meter. Adjusted amount would amount to 10 percent of the approximately \$20,000 billing since the meter has been in operation.

The two teams may meet again in the two-day Glades tournament at Belle Glade beginning next Thursday. At 7:30 p.m. the Glades team will play Okaloosa, and at 9:15 Belle Glade plays Clewiston. The championship round will be held next Friday night.

GLENDA DELL TO APPEAR WITH UNIVERSITY GROUP

BELLE GLADE — The University of Miami Chorus will present a concert this evening at 8 p.m. at the high school auditorium. Miss Glenda Dell, talented University of Miami music student from Belle Glade, will appear with the group.

There will be no admission charge, but an offering will be taken for the benefit of the University's music department.

Council Does About-Face On Tax Exemption Issue

PAHOKEE — "Now you have it, now you don't," was the theme of Pahokee city council in dealing with tax exemption requests at its regular meeting Monday night.

With all councilmen present for the first time in several meetings, tax exemption requests on new buildings were considered, and earlier action reversed. The council:

1. Granted certain tax exemptions to Dr. C. C. Johnson for a five-year period for a proposed new \$35,000 medical clinic to be built off Lake Avenue. As its Nov. 12 meeting, the council had promised a 10-year exemption.

2. Denied the tax exemption plea of Elmer "Babs" Upthegrove for his new steak house on E. Main St. At the Nov. 12 meeting a motion was passed giving Upthegrove a five-year exemption.

3. Denied a tax exemption plea of Leo Wroten for a new building now being built adjacent to Parrish Jewelry. Wroten said he was not sure of the matter similar to that given to Upthegrove by the council.

Considerable confusion existed when councilmen said they were under the impression they had given Upthegrove his exemption. City Attorney Ralph Johnson explained that the city charter provides that tax exemptions can be granted only by ordinance, and that while the council had previously voted the exemption, actually by so doing it was in effect only authorizing him to draw up a formal ordinance covering the matter, and the ordinance was read for the first time at the Monday meeting.

Of the principals involved in the tax exemption decisions, only Leo Wroten was present, the others possibly believing they had seen their exemptions safely tucked away.

In coming to its decisions, the council lined up with divergent views. Councilman John Hatton and Mrs. Blanche L. Armstrong voted to deny the tax exemption request with Councilmen Edgar Wilder and Loren Meredith dissenting. Council President George H. Chastain moved to suspend the vote to deny the request. On the Upthegrove matter, the voting was identical.

In the Dr. Johnson tax issue, Councilman Wilder, who was not present when the 10-year "promise" was made in November, moved to grant the 5-year exemption. The ensuing vote was unanimous.

The council proceeded to okay on a second reading a master ordinance governing future tax exemption applications. It would require applicants to pay ad valorem taxes assessed to maintain the city's general operations fund. To qualify, the new building would have a minimum of 3500 square footage or cost a minimum of \$25,000.

City Attorney Johnson explained the term "new business" is flexible and may be interpreted to be an entirely new type of enterprise in the city, or an old enterprise in a new physical setting, as the council wishes to interpret it.

New Businesses Open In Pahokee

PAHOKEE — This city's business community is undergoing changes as the year 1957 wanes. Ownership of Berry's Paint Store has transferred to Gil Caldwell, who will operate the business while maintaining his vocation as a crop duster. Former owners Mr. and Mrs. Sam Berry, who owned the store for about 30 years, will continue to live here.

A new eatery opened its doors to customers over the weekend when Elmer "Babs" Upthegrove opened his new "441 Steak House" on East Main St. Featuring charcoal steaks, the restaurant also peddles resinked potatoes cooked in an old-fashioned kettle.

Meanwhile, Orange State Oil Company's new retail outlet on Main St. is open for business, the "grand opening" being deferred until its full plant is in complete operation.

And, new quarters for Parrish Jewelry on Bacon Point Road are nearing completion. From all appearances, the new store front will be one of Pahokee's most modern.

Oil has been a major factor in the Suez Canal crisis. Now that the crisis is abating, it can be assumed that what oil wasn't diverted around Africa to European ports was poured on the Canal's troubled waters.

Trees were being removed from the canal banks along the Canal Point-Pahokee road this week. To be used for Christmas trees?

Real Christmas spirit — the genuine, touching kind — is making itself evident throughout the Glades. We wish somebody would write a song about it, in the exuberant mood of the "June Is Bustin' Out All Over" ballad.

Pahokee city councilmen are in an unenviable position when they have to make decisions on granting tax exemptions. Ask 'em. They are darned if they grant exemptions, darned if they don't.

From where I sit... by Joe Marsh

Just Call Me Cupid

The counter down at Pete's was full yesterday, except for three seats near the end, so I plunked myself down on the middle one.

As I took my first sip of coffee a cute young couple came in. A girl in her early twenties followed by a fellow perhaps a year or two older. Without saying a word, they took the only two seats left on either side of me.

Remembering my younger days, I insisted the young man take my seat so's they could be together. He hesitated at first, then finally he shrugged, grinned

and said to the girl, "Well, let's make him happy. My name's 'Ricky.' What's yours?"

From where I sit, there was no harm done that time, but jumping to conclusions can be embarrassing. In fact, it's sometimes mean and intolerant-like the way some folks jump to the conclusion a man's "wrong" to prefer a glass of beer over another beverage. Lack of facts coupled with lack of judgment introduces trouble.

Glades Residents Invited To See Holsum Display

MIAMI — Glades area residents have the opportunity of seeing what is believed to be the largest animated Christmas display in south Florida at the plant of Holsum Bakers in South Miami.

An invitation to people of this area to see the display has been extended by Jodean Cash, Holsum president. Christmas displays by Holsum, prepared annually for 16 years, have been a holiday land mark in south Florida.

This year's display, located in front of the bakery on the Dixie Highway, measures 50 feet in breadth and some portions are 14 feet high.

Describing the large Christmas display, President Cash said the theme is "A Christmas Card for You." Against a background of Christmas decorations and huge gaily colored gift packages will be a giant replica of a greeting card measuring eight by ten feet.

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

Red Cross Urges Hungarian Relief

Palm Beach County has collected only about \$450 of its \$5,000 goal for the emergency Red Cross drive for Hungarian relief, it has been announced by Ed Reddy, vice chairman of the county's 1957 Red Cross Fund Campaign.

Reddy reminded residents of a recent contribution appeal by Governor LeRoy Collins who said that "seldom have we had such an opportunity to make our sympathies felt in so effective a way" as to help the Hungarians now.

"The International Red Cross faces the prospects of feeding at least 200,000 Hungarians a day for an indefinite time," the governor said. "We Americans at times forget that our own independence was achieved out of a struggle against tyranny. We were more fortunate than the Hungarians — we won."

Reddy said that contributions for the Hungarian cause may be made through local Red Cross chapters.

S.E. Farm Credit Banks Will Merge

BELLE GLADE — George H. Wedgworth, vice president of the Farmers Production Credit Association, which has offices in Belle Glade and Miami, has received notice of the imminent merging of two credit banks in South Carolina which is of interest in this area.

The merger will involve the Farm Credit Board of Columbia, S.C., with the Production Credit Corp. of Columbia. The merger was provided for by the Farm Credit Act of 1956 which becomes effective on Jan. 1.

Under terms of the act, the government's investment in the bank will gradually be retired as stock ownership in the bank by the production credit associations increases.

The 67 PCA's in the Carolinas, Georgia and Florida make farm operating loans totalling about \$120 million annually. Wedgworth says, "The fund received largely by selling credit bank debentures to investors in the financial markets."

Farmers Production Credit Association provides for short term credit needs of farmers and ranchers in Palm Beach, Monroe, and other south Florida counties. G. L. Lanham is manager of the Glades office.

Red Cross Urges Hungarian Relief

Palm Beach County has collected only about \$450 of its \$5,000 goal for the emergency Red Cross drive for Hungarian relief, it has been announced by Ed Reddy, vice chairman of the county's 1957 Red Cross Fund Campaign.

Reddy reminded residents of a recent contributions appeal by Governor LeRoy Collins who said that "seldom have we had such an opportunity to make our sympathies felt in so effective a way" as to help the Hungarians now.

"The International Red Cross faces the prospects of feeding at least 200,000 Hungarians a day for an indefinite time," the governor said. "We Americans at times forget that our own independence was achieved out of a struggle against tyranny. We were more fortunate than the Hungarians—we won."

Reddy said that contributions for the Hungarian cause may be made through local Red Cross chapters.

S.E. Farm Credit Banks Will Merge

BELLE GLADE—George H. Wedgworth, vice president of the Farmers Production Credit Association, which has offices in Belle Glade and Miami, has received notice of the imminent merging of two credit banks in South Carolina which is of interest in this area.

The merger will involve the Farm Credit Board of Columbia, S.C., with the Production Credit Corp. of Columbia. The merger was provided for by the Farm Credit Act of 1936 which becomes effective on Jan. 1.

Under terms of the act, the government's investment in the bank will gradually be retired as stock ownership in the bank by the production credit associations increases.

The PCA's in the Carolinas, Georgia and Florida make farm operating loans totalling about \$120 million annually. Wedgworth says, with the merger largely by selling credit bank debentures to investors in the financial markets.

Farmers Production Credit Association provides for short term credit needs of farmers and ranchers in Palm Beach, Monroe, and other south Florida counties. G. L. Lanham is manager of the Glades office.
